For the Year Ending, December 31, 2007

**IN MEMORY OF
EDWARD R. LANG
October 24, 1922 to February 9, 2008**

Edward Lang was a lifetime resident of Troy. He served his country in World War II and the Korean Conflict, obtaining the rank of Major. Bud, as he was known to everyone, was always committed to his family, his church, and the town.

Bud's service to the town began in 1953 when he became Tax Collector, which he held for 5 years. He was Town Moderator starting in 1969 to 1975. He held positions of Firewards, Budget Committee, Planning Board, Industrial Development Committee, and was a Trustee of Trust Funds for 11 years. His service to the town totaled 47 years.

He will be very much missed by his family and town members.

SELECT BOARD REPORT

February 8, 2008

Greetings from the Town of Troy Select Board. 2007 has been a year of hard work and surprises. We received a lot of attention this year, both nationally in the news, and locally from people passing through town. The news coverage on our police station was dramatic, but underscored by how quickly and selflessly people pitched in to provide on-site, middle of the night repairs to the building. Locally we received letters from people passing through during the holiday season commenting on how wonderful our town common looked with its lights and decorations. Our Town spirit was evident throughout the year in so many ways and we are very appreciative of the people who pitch in to help out. The hard work that people have been investing is apparent to everyone and we would like to applaud those efforts and express our appreciation for the continued support by our residents and the hard work received from our employees, volunteers, and officials.

In the year 2007 we focused on projects started in previous years. In particular the EPA mandated water and sewer projects are starting to wrap up and are closing out. The project costs will show on our 2008 tax rate as we begin making payments associated with the financing we arranged for the repairs and upgrades. The Mill has been quietly percolating as the management team for the project has been exploring funding sources and partnerships that will contribute to the development and financing of the project. There are some interesting rumors that are circulating and we look forward to sharing news of the project once we have been formally updated on the group's direction and next steps.

The Extreme Makeover team came to New Hampshire this summer and for one strange night it appeared as if the ABC TV show was storming the gates of Troy. In fact we had our own version of a makeover on the police station as we headed into the fall. The repairs and some safety upgrades are now complete and our station is back up and running. Our officers were working out of a trailer as the weather grew cold in October, but the resulting renovations and improvement to the interior of the building will benefit the police staff and the public in the long run. Privately, several outside law enforcement leaders and courthouse affiliates have said that the changes we made are a significant upgrade over the previous layout

and the changes were a much needed improvement on several previously prominent safety issues.

In the past while writing this column we focused on our financial state as we recovered from the mill closing and the attendant accounting difficulties. We also made a special point to acknowledge our volunteers who provide countless hours and help keep the town a vibrant experience for both residents and visitors. This year we would like to thank a group of people that is deserving of our high regard, respect, and admiration and who for the most part toil on their own without a lot of management direction or attention. The Select Board meets just once a week for a few hours and we deal with legal issues, development issues, and budgetary issues before going back to our regular jobs and families. This doesn't provide us with nearly enough time to interact with and provide help to the people that comprise the backbone of our town services: our employees. Over the past few years we have relied on the competency, the team spirit, and the dedication of our employees as they handled the day to day tasks while we struggled with some particularly weighty issues; the EPA superfund site, the closing of the mill, and the legal issues associated with the mill's bankruptcy and the resulting depletion of our surplus. This year we would like to take this moment to extend a 'Thank You' to each of our employees and to recognize the hard work that they deliver every day.

Glenn T. Shattler, Chairman

Aaron K. Patt

Lynda J. Cutts

WHITNEY HOUSE, ca. 1818

The Whitney House, located at 26 South Main Street, in the Troy Village Historic District, is an excellent example of Federal architecture. This house was the residence of the Whitney family from its construction in 1818 until 1943. The building is on the National Register of Historic Places.

TOTAL	1,450,406	1,459,812

ARTICLE 3. To see if the town will vote to raise and appropriate the sum of ninety-one thousand six dollars (**\$91,006**) for the annual bond payment for closing the town landfill, and authorizing the withdrawal of twenty thousand dollars (**\$20,000**) from the Transfer Station/Recycling Center Special Revenue Fund. The balance of seventy-one thousand six dollars (**\$71,006**) is to come from taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 4. Shall the town accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Select Board to issue tax anticipation notes? Recommended by the Select Board.

ARTICLE 5. To see if the town will vote to raise and appropriate the sum of five thousand dollars (**\$5,000**) for the purpose of hiring a qualified person to conduct an inventory of the natural resources of the town. Recommended by the Select Board. Not recommended by the Budget Committee.

ARTICLE 6. To see if the town will vote to adopt RSA 41:14-a, to allow the Select Board the authority to acquire or sell land, buildings, or both;

provided, however, they shall first submit any such proposed acquisition or sale to the Planning Board and to the Conservation Commission for review and recommendation by those bodies, where a board or commission or both, exist. Recommended by the Select Board.

ARTICLE 7. To see if the town will vote to establish a Capital Reserve Fund (pursuant to RSA 35) for the purpose of conserving open space, which could take the form of the outright purchase of land, easements, or any other instrument that furthers the goal of conservation, preservation or protection of open space, to appoint the Select Board as agents to expend from this fund, and to raise and appropriate the funds received from the current use change tax not to exceed five thousand dollars (**\$5,000**), to be placed into this Capital Reserve Fund. This amount is to come from fund balance (surplus). No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of twenty-four thousand one hundred fifty-five dollars (**\$24,155**) for the care of the cemeteries and authorize the withdrawal of twenty-two thousand five hundred forty dollars (**\$22,540**) proportionately from the Cemetery Maintenance Expendable Trust Fund and the Cemetery Perpetual Care Expendable Trust Fund. The balance of one thousand six hundred fifteen dollars (**\$1,615**) is to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of four thousand one hundred fifty dollars (**\$4,150**) to be placed in the Cemetery Maintenance Expendable Trust Fund, from the sale of cemetery lots in 2007 deposited in fund balance (surplus). No amount is to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 10. To see if the town will vote to raise and appropriate the sum of two thousand nine hundred twenty-five dollars (**\$2,925**) to be placed in the Police Department Capital Reserve Fund. This amount is to come from fund balance (surplus), from the sale of the 1998 Dodge Durango, October 2007. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of two hundred fifty dollars (**\$250**) to be placed in the Fire

Department Capital Reserve Fund, from the sale of a Hale 1,000 GPM 2 stage pump, and an Oron generator, September 10, 2007, deposited in fund balance (surplus). No amount is to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 12. To see if the town will vote to raise and appropriate the sum of three thousand five hundred dollars **(\$3,500)** to be placed in the Fire Department Capital Reserve Fund, from the sale of the 1976 American LaFrance pumper fire truck, October 11, 2007, deposited in fund balance (surplus). No amount is to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 13. To see if the town will vote to raise and appropriate the sum of one thousand nine hundred forty-four dollars **(\$1,944)** to be placed in the Emergency Management Expendable Trust Fund, voted March 2006, for Emergency Management operation purposes. This amount is to come from fund balance (surplus), representing the unexpended balance of the Emergency Management 2007 budget. No amount to be raised by taxation. Recommended by the Select Board. Not recommended by the Budget Committee.

ARTICLE 14. To see if the town will vote to raise and appropriate the sum of forty-six thousand seven hundred seventy-one dollars **(\$46,771)**, that will be received from the Highway Block Grant from the State of New Hampshire during 2008 for the maintenance, construction, and reconstruction of Class IV and V highways. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 15. To see if the town will vote to raise and appropriate the sum of nine thousand two hundred dollars **(\$9,200)** to replace a sand spreader with a Swenson stainless steel spreader, and to authorize the withdrawal of nine thousand two hundred dollars **(\$9,200)** from the Highway Department Capital Reserve Fund. Not recommended by the Select Board. Recommended by the Budget Committee.

ARTICLE 16. To see if the town will vote to raise and appropriate the sum of one thousand two hundred dollars **(\$1,200)** to seal and stripe the Gay-Kimball Library parking lot, and to authorize the withdrawal of one thousand two hundred dollars **(\$1,200)** from the General Government

Buildings Expendable Trust Fund. Recommended by the Select Board and the Budget Committee.

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of six thousand nine hundred dollars (\$6,900) to crack seal the pavement at the Transfer Station/Recycling Center, and to authorize the withdrawal of six thousand nine hundred dollars (\$6,900) from the Transfer Station/Recycling Center Special Revenue Fund. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to finish siding the Transfer Station/Recycling Center and to construct a separate building to house waste oil, and to authorize the withdrawal of twenty thousand dollars (\$20,000) from the Transfer Station/Recycling Center Special Revenue Fund. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 19. To see if the town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the purchase of transfer station bags and authorize the withdrawal of five thousand dollars (\$5,000) from the Transfer Station/Recycling Center Special Revenue Fund. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 20. To see if the town will vote to raise and appropriate the funds listed below to be deposited in the Capital Reserve Funds:

RECOMMENDED BY BUDGET COMMITTEE – SELECTMEN		
Fire Department	10,388	10,388
Highway Department	15,000	15,000
Police Department	10,000	5,000
Reassessment	15,000	15,000
	50,388	45,388

ARTICLE 21. To see if the town will vote to raise and appropriate the funds listed below to be deposited in the Expendable Trust Funds:

**RECOMMENDED BY
BUDGET COMMITTEE – SELECTMEN**

General Government Buildings	10,000	10,000
Samuel E. Paul War Memorial	<u>-0-</u>	<u>-0-</u>
	10,000	10,000

ARTICLE 22. To see if the town will vote to raise and appropriate the sum of four hundred four thousand seven hundred forty-six dollars (\$404,746) for Water/Sewer Department operations. Income comes from collections of water and sewer rents. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

ARTICLE 23. To see if the town will vote to raise and appropriate the funds listed to be donated to each organization as specified:

**RECOMMENDED BY
BUDGET COMMITTEE – SELECTMEN**

Gap Mountain Garden Club	700	700
Helping Hand	2,000	2,000
The Community Kitchen	2,000	2,000
Historical Society	1,000	1,000
Meadowood Fire Department	2,500	2,500
Senior Citizens	500	500
Southwestern Community Svc	<u>2,500</u>	<u>2,500</u>
	11,200	11,200

ARTICLE 24. To see if the town will vote to raise and appropriate the sum of six thousand five hundred dollars (\$6,500) to clean, repair, and paint the exterior of the Troy Fire Station. (By Petition)

ARTICLE 25. To see if the town will vote to raise and appropriate the sum of seventy-five thousand dollars (\$75,000) to reclaim, base-in and top with asphalt, School Street, Dustin Street, and Memorial Drive. (By Petition)

GIVEN UNDER our hands this 5th day of February in the Year of Our Lord, Two Thousand Eight.

KIMBALL HOUSE HOTEL, ca. 1880

The Kimball House Hotel, located at 13 Water Street, in the Troy Village Historic District, is a distinctive example of the Second Empire style. The mansard roof of the building was widely popular for hotel construction. It was erected as a hotel by Troy merchant E. P. Kimball, and operated by John N. Brooks. This building is on the National Register of Historic Places.

TROY AMBULANCE, INC.

Over the past year the ambulance averaged 16 emergency responses per month and responded to a total of 198 calls for the year. The calls were a combination of injuries, motor vehicle accidents, medical emergencies, illnesses, requests for public assistance and mutual aid responses to Fitzwilliam.

There are currently 17 members on the roster. Of the 17 current members, 6 meet the annual requirement of making 20% of the calls in order to be considered active. There are 3 new members who are in class, 2 members who are drivers only, and 3 who live out of town.

This past year the State of New Hampshire required all ambulance and rescue services to switch from paper based run sheets to a computer based reporting system called TEMSIS. This transition required a great deal of training and practice from our personnel and means that the ambulance office must be equipped with Internet access and a fax machine. Members of the ambulance have worked diligently to become familiar and proficient with the computer system and they are doing an excellent job with it.

The City of Keene continues to provide paramedic service to the residents of Troy. The services provided by the paramedics are vital in serious medical situations because they have advanced training that enables them to administer high-level medications and procedures. The City of Keene is currently charging Troy Ambulance \$350 per call when they provide us with this Advanced Life Support service.

The current ambulance is a 5-year old vehicle and it is in good condition. The members of the squad perform maintenance and cleaning on the vehicle after each call in addition to weekly maintenance. At the end of 2007 the Troy Ambulance has a total of \$51,647 invested towards the cost of a new vehicle. We are carefully planning ahead for the purchase of a new ambulance though we do not anticipate needing a new vehicle for several years.

The members of the ambulance would like to thank the citizens of Troy for supporting our service through your thoughtful donations and memorials. Your donated dollars help us purchase medical supplies, keep our equipment in excellent condition, and show our personnel that their hundreds of volunteer hours are appreciated. Although we do bill for

services, donations and memorials are a very important part of helping us offset the funds that are not collected. The billing income, in addition to generous donations, allow the ambulance service to continue to operate largely independently of your tax dollars.

It is our pleasure to provide emergency medical services to the Town of Troy and we look forward to serving you over this next year.

Amy E. Willey
President

BUDGET COMMITTEE

The basic function of the Budget Committee is to look over the proposed operating budgets presented by the department supervisors, reviewed by the Select Board, to operate in the best interests of the town for the upcoming year.

The Budget Committee had to postpone two meetings in 2007 because of an ice storm and a large snowstorm. Two extra long meetings were held to cover the material for the two meetings that were missed due to the weather and unsafe conditions.

The Budget Committee held the proposed 2008 budget to the cost-of-living ratio. Gasoline, diesel fuel, heating oil, and insurance costs made up most of the budget increases, with no end in sight.

The Budget Committee and the Select Board proposed budgets are about the same.

Respectfully,

Budget Committee

Frank J. Obuchowski, Chairman

CEMETERY COMMISSION

As Town Meeting approaches we look back at 2007, and make plans for the 2008 budget.

In 2007, we came in under our planned budget. Last winter was kind to us, with no major damage, making the spring cleanup somewhat easier.

The two terraces at Mountain View Cemetery look very good. The grass came in rich and full. This coming year, we are planning to trim some of the pine trees on the east side. There are still quite a few lot sites available in Mountain View Cemetery although most of the lots in the new terrace sites are sold. .

There are some gravestones in Village Cemetery that will need repair. The markers are not marble or granite, so the weather, coupled with 100 or more years of wear, really wears the stones thin.

The new rates for a gravesite are \$300 for a two-lot site and \$600 for a four-lot site. This is for full internments and cremations. Lot markers are \$100 for a set of four. The cost of digging the gravesite is \$450 for a full burial and \$550 on weekends. The cost for digging the gravesite for a cremation is \$125 and \$150 on weekends.

The cemetery crew did a first class job again this year maintaining the grounds. Thank you Skip Mason and Larry Taylor.

Respectfully,

Cemetery Trustees

Frank J. Obuchowski, Chairman

CHESHIRE RAILROAD COMMISSION

This past year has been both a busy and successful for the Troy Cheshire RR Depot Commission. We would first like to take this opportunity to thank the residents and businesses of Troy for their continued support in 2007. Without the backing of businesses that donate to our events and the residents who take part in them, our fundraisers would not be profitable. The funds we raise will first be used for a handicap ramp and refinishing the floors. When these are completed we will focus on the gift shop and tourist information phase of the project.

Many local residents and tourists from out-of- state were afforded the opportunity to tour the depot during several events this past year. The depot has not seen as much traffic pass through its doors since it ceased operation in the early 1970's.

A grant for \$9,400.00 from The East Hill Foundation in New York allowed us to install a high-tech security system. We are happy to report that there hasn't been any vandalism since the installation. The reconstruction of the Station Master's office is also very near completion.

When the trains were operating many veterans took the train from Troy Depot to go to war, some never returned. With this in mind, John Satas, along with volunteers from the Troy American Legion cleared an area by the pond for a flagpole and monument to honor our veterans.

Our very unique Hobo Picnic is already in the works for next year. Member Bob Hall and his wife Judy, with their talent for cooking beans underground and brown bread in coffee cans, are largely responsible for the success and accomplishment of this event.

Members were saddened by the loss Donald Austin who passed away this year. Don volunteered as Interim Chairman our first year and got us off to a good start. He was a genuine railroad enthusiast who enjoyed collecting timetables and sharing his knowledge of the railroads.

We welcome a new member, Veronica (Roni) Hoffman as Secretary. Our Commission welcomes new-dedicated members to join or those who just want to come to a meeting and share their ideas with us.

We look forward to another year of achievements at the Depot.

TROY FIRE DEPARTMENT

In 2007 the department responded to 90 calls for help. This number is down by 20 compared to the last two years.

Thanks to Deputy Chief Robert Hebert and other members of the department, our equipment is in good condition and ready for the next emergency call.

During the year, the department lost long time member James Callahan. Jim served the town for over 45 years as a firefighter. He was a Deputy Fire Chief and Forest Fire Warden for many years.

We wish to thank all the members of the department who have been so dedicated to serve our community during it's time of need. With their help, losses have been kept to a minimum.

Also, we would like to thank the Troy Fire Explorers, the young men and women of our town who have chosen to get involved with the Fire Department. They have been a great asset for the department and someday will serve the town as firefighters and EMTs.

Please take the time to visit your Fire Department. We look forward to seeing you and will be glad to show you all the apparatus and equipment at the Fire Station.

Should you have some spare time on your hands and would like to get involved, come talk with us. We look forward to seeing you.

FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wild land fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Fire activity was very busy during the spring of the 2007, particularly late April into early May. As the forests and fields greened up in later May the fire danger decreased. However, a very dry late summer created very high fire danger again from August into September, with fire danger reaching very high on Labor Day weekend. Even with the dry conditions, the acreage burned was less than half that of 2006. The largest forest fire during the 2007 season burned approximately 26 acres on the side of Wantastiquet Mountain in Chesterfield during the month of May. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wild land urban interface, which is the area where homes and flammable wild land fuels intermix. Several of the fires during the 2007 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wild land fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

GAP MOUNTAIN GARDENERS

The Gap Mountain Gardeners Club was founded in the fall of 2004 to promote the beautification of Troy, a goal of the UNH Troy Tomorrow workshop.

We are pleased as we were able to meet our goal of filling all 12 petunia baskets that hang from the lampposts on the Troy Common. Thanks to Ann Cook, owner of the Perennial Patch, for providing the nice greenhouse for our little plants to grow and for caring for them until they were ready in time for the Memorial Day ceremony.

We planted wildflowers on the triangle in front of the Library as hoping it would sustain itself as we were trying to ease some of the load from our members. It is a major amount of work just to keep the petunias watered, so members rotate this job. It requires that they go out once or twice a week and pull out the heavy hoses and drag them around the Common.

This year we planned several fundraisers to defray our costs, but our annual yard sale and Ice Cream Social were rained out. We did participate in the Troy Arts Festival, selling bird baths made by our members. We also had a very successful Valentine Dessert party where our members made a variety of cakes and cookies so everyone could indulge their sweet tooth. This event is always fun as it brings many of our friends and neighbors together for a relaxing evening.

We want to thank the town for their support of our efforts.

Theresia Weber-John, President

GAY-KIMBALL LIBRARY

2007 Librarian's Report

We've made many changes this year to better serve the community. A 15 minute public access computer was added to the two public access computers we already have. This has greatly reduced wait time for the computers which are used over 200 times a month. We changed our Tuesday and Saturday hours to better meet the needs of the community by introducing morning hours. We now have a website at www.troylibrary.us where patrons can renew books, request books, get town information, download audio books and much more. This summer \$1060 worth of children's books were added from a grant we received from the Libri Foundation. The \$350 in matching funds we needed were donated by the following local businesses: Inn At East Hill Farm, the Minute Mart, Troy Artic Cat and Indian King Framery. Also new comfy chairs and fun carpets now grace the library.

Some things haven't changed. The Summer Reading program and Ice Cream Social continue to be very popular. In July the visit from the Wildlife Encounters Zoo was so popular we're having them back next year. Our story times run by Sheila Depew have been enjoyed by over 470 children and 190 adults. The WiFi is getting used on a regular basis and is still the only public access WiFi available in the community. Our extremely popular DVD collection is about 400 strong and growing.

The Library really does depend on the support of its community members. Those generous folks who repeatedly donate items that we use in our collection and for our book sale. Our volunteers' selfless donation of time which allows us to hold two successful book sales a year and helps us improve our library facilities and collection. We cannot thank you enough! Finally, we want to officially recognize our library trustees – Jan Jones, Beth Richardson, Eileen Breckell and Kathy Marrotte (who replaced Ms. Breckell mid-term) – who continue to govern the library with a sense of duty and just as importantly a sense of humor. Thank you!

HEALTH HAZARDS REGION

The greater Keene All Health Hazard Region (KAHHR) planning group has been working on a regional plan to swiftly and effectively respond to and recover from a public health emergency. A public health emergency is defined as an event that affects the public's health: a highly contagious disease or a bioterrorism event for example. Such an event could last days or months, affect a specific town or the entire country.

The KAHHR planning group membership includes representatives from the towns of Alstead, Chesterfield, Fitzwilliam, Gilsum, Harrisville, Hinsdale, Keene, Marlborough, Marlow, Nelson, Richmond, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole, Westmoreland, and Winchester; County of Cheshire; Cheshire Medical Center; Home Health Care, Hospice & Health Community Services (HCS); local chapter of the American Red Cross; Monadnock United Way; Monadnock Family Services (MFS); Keene State College; SAUs; employees from the NH Departments of Health and Human Services and Homeland Security & Emergency Management; and other regional agencies.

Regional Coordination Committee

- Membership consists of representation from all twenty towns, Cheshire Medical Center, Home Healthcare Hospice & Community Services (HCS), Monadnock United Way, West Chapter of American Red Cross, County of Cheshire, Southwestern NH Fire Mutual Aid, Keene State College, and Monadnock Family Services
- Each municipality has identified at least one person to represent the town on this committee
- Complete membership is currently at 69 members
- Emergency planning meetings occur on monthly basis
- Subcommittees formed to address:
 - Review of regional plan
 - Healthcare workforce Summit to develop volunteers for medical surge needs and ensure COOP for healthcare sector
 - Functional needs groups in the region
 - POD planning groups
- Completed CDC Self-Assessment in 2006 and reassessment in January 2008 to assist in setting regional priorities

Regional Plan

- Developed a regional all health hazards emergency response plan that was approved by NH DHHS & HSEM in April 2007
- Developed Point of Dispensing Plans for the region
 - Identified 6 primary sites with 4 secondary sites identified if needed
 - Each POD planning group has developed individualized plans to address specific location, partners, and MOU
 - Completed walk-thru exercise at two POD sites
- Healthcare Workforce Summit
 - Coordinating resources to develop volunteer list of healthcare workers
 - Currently fourteen healthcare organizations are represented
 - Recruited over 100 volunteers
- Developed Isolation & Quarantine Plan
 - Identified several possible locations within region for I & Q site
 - Plan identifies several levels of I & Q
- Developed Multi-Agency Coordination Entity (MACE)
 - Developed activation and staffing procedures
 - Developed notification and call tree
- Conducted a tabletop exercise to test pandemic flu components of the regional plan

Community Support

- Provided technical assistance to local business that exercised their emergency operations plan for a pandemic influenza outbreak
- Provided technical assistance to fourteen healthcare facilities re: emergency operation plans
- In collaboration with the Keene Chamber of Commerce, Monadnock United Way and West Chapter of the American Red Cross provided three part COOP training to 40 regional businesses/non-profit organizations.
- Conducted six community forums on pandemic flu, planning and individual emergency preparedness to the citizens of the greater Keene region.
- Provided technical assistance to local non-profit organization re: individual preparedness training for their staff

- Provide training on emergency preparedness for their clientele to Monadnock Senior Advocates.
- Provided education to the Community Network Team on the emergency preparedness efforts occurring in the greater Keene region
- Training provided to regional Health Officers by State Veterinarian on Avian Flu, West Nile and other animal disease issues

Resources/Inventories

- Developed a public health emergency resource directory including healthcare providers, non-profit organizations, state and federal contacts
- Developed a resource inventory for municipal resources/contacts
- Completed inventories for transportation, education, medical and behavioral health capacities
- Completed local assessment of mortuary capacity
- CPHN Coordinator participated in statewide Mortuary preparedness planning group

If you have any questions or concerns regarding how the region is preparing for a public health emergency, please contact Eileen Fernandes, Cheshire Public Health Network Coordinator at Cheshire Medical Center at 354-5454 x2130 or efernandes@cheshire-med.com

TROY HERITAGE COMMISSION

The Troy Heritage Commission year began with the concluding talk in a series of three by Emily Paulus, New Hampshire Department of Historic Resources Planner. Her talk entitled "New Hampshire Certified Local Governments" provided much food for thought.

In April we were happy to have a fundraiser at East Hill Farm. Their wonderful hospitality allowed us to have a successful raffle, "Let's Eat Out". In July the weatherman dumped rain on our planned Historic Pictures of Troy Raffle and our Village Cemetery Walk preventing them from happening. We have continued to work on restoring the Village Cemetery, listed in the National Register, and one of Troy's real treasures.

Another project we have worked diligently on is the National Register listing, the mid-town Capron Shoe Shop. It is one of a few such buildings nation wide still existing today. Repair or loss of the treasure makes it imperative that our thus far unsuccessful efforts be reversed.

Our Historic Pictures of Troy raffle was very successful in December. Four happy winners were Gail Thomas, Cathy Luopa, Allen Cumings, and Nancy Han non.

Our walking tour guide, *Troy: A Mill Town* is available and in its second printing. A small number of copies of *Troy The Way It Was* are available.

Marion Austin
Chairman

HIGHWAY DEPARTMENT

Mother Nature showed us her true colors in December with a record breaking snowfall.

In 07' we were busy finishing the overlaying of the Mackey Road project and sealing of the Richmond Road. We also put a new sidewalk on the west side of School Street and in front of the school. We took the time to stain the highway barn. We also purchased a new 2007 Dodge 3500 dump truck.

In 2008, we plan to regrind, School St., Dustin St., and Memorial Drive. Repair catch basins and manholes, base in and top with asphalt. Also we plan on repairing, topping, and stripping the Town Hall parking lot. We plan on crack sealing and sealing the recycling center parking lot. And sealing and stripping the library parking lot. For equipment replacement, we plan on replacing the sand spreader on the 92 international with a stainless steel sand spreader.

I would like to thank my assistant Gary LeBlanc for another year of service and Rod Page for filling in when needed. A special thank you to Peter Mattson for many years of dedicated service, who has decided his time has come to step down as "loader 1". Thanks to George Fish who is going to try to fill his shoes.

James E. Dicey
Public Works Director

TROY HISTORICAL SOCIETY

The Troy Historical Society (THS) is currently into its 15th year of operation, which is, but a fledgling operation compared to the longevity established by many of the other area societies. This small group of volunteers strives to recapture, research, and share some 195 (or 243) years of Troy history depending upon which start one chooses to consider. Do remember that one Silas Fife settled on land on East Hill in 1765, once owned by Oliver P. Whitcomb, father of James Whitcomb, and who was the father of Judy Whitcomb Hall, and that Troy was incorporated in 1815.

Troy's recorded history is available in Dr. Caverly's History of Troy published in 1859, Dr. Stone's Historical Sketch of the Town of Troy, published in 1897, the familiar red-covered New Hampshire Troy, a Tribute To The American Revolution Bicentennial, published in 1976, and more recently, Marion Austin's Troy As It Was. All four editions may be viewed at the Gay-Kimball Library and the Historical Museum at Kimball Hall. There will always be the need to record history as the process of history making is on going and the recordings thereof hopefully will always be maintained.

It is the aim of the Historical Society to make as much of the Troy history as possible available by as many media methods as feasible, namely, maps, documents, photographs, artifacts, films, videos, re-enactments, speakers, newspaper articles, and up to date computer presentations such as digital photography. It is a daunting task, to recall, verify, and present, to all age groups. The task could occupy the full time effort and energy of a paid employee and staff. While a respectable museum is maintained at Kimball Hall, it offers pretty much a passive status. Growth is a need as well as a way to reach all age groups and consider a role in school education and historic appreciation. The past can never be recovered, but certainly can be recaptured.

Support for the society comes solely from membership dues and an annual donation from the Town of Troy. Some community organizations have chosen to direct proceeds of their events to the society and that is much appreciated. Volunteers have chosen to direct their time and energy in history gathering and preservation rather than fundraising. A rich aunt or uncle is always the dream of a volunteer group as there are always marvelous display aids out there that are often beyond the reach of a bare bones budget, such as a digital projector.

Citizens are always welcome to come on board and volunteer a few hours of their time or provide financial stimulants to help bring Troy history alive and present it to the young and old on a regular history sharing basis. The THS has a workplace, a small but dedicated volunteer staff, and dreams that can come closer to reality with a little more push and shove. For THS contacts please call Kathy Marrotte at 242-7731 or Bob Hall at 242-6292.

Bob Hall

HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

In 2007, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Troy. The following information represents HCS's activities in your community during the past twelve months.

SERVICE REPORT

Services Offered	Services Provided
Nursing	661 Visits
Physical Therapy	204 Visits
Speech Pathology	3 Visits
Occupational Therapy	22 Visits
Medical Social Work	34 Visits
Home Health Aide	109 Visits
Homemaker	2,306 Hours
Adult In-Home Care	1,100 Hours
Outreach	21 Visits
Health Promotion Clinics	14 Clinics
Meals-On-Wheels	2,651 Meals

Total Unduplicated Residents Served: 85

Prenatal and well child care, and hospice services are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2007 with all funding sources is projected to be \$256,949.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2008, we request an appropriation of \$1,962.00 to continue to be available for home care services, and an appropriation of \$1,547.00 for the Meals-On-Wheels program.

Thank you for your consideration.

INDUSTRIAL DEVELOPMENT AUTHORITY

The undertaking to redevelop Troy Mills continues to be a center of attention in Troy. A New Hampshire Department of Environmental Services revolving loan fund has enabled remediation of the Troy Mills site, an essential step in the redevelopment. During this year the interior of the buildings has been freed of obsolete equipment and potential contaminants. Survey sites around the 19 acre property have not revealed need for extensive restoration. Limited unserviceable sections of the old structures have been demolished. Plans have been developed for the construction of an initial group of condominiums and provision of retail services that will provide for both residents and townspeople at large. The Troy Redevelopment Group, Inc., a non-profit agency established by the Town, will continue to retain ownership of the Mill site until individual condominium units of the development are sold and returned to the tax rolls.

Ralph L. Wentworth
Chairman

MEADOWOOD COUNTY AREA FIRE DEPARTMENT

2007 was a busy and challenging year for the Meadowood County Area Fire Department and Training Center.

Meadowood Fire responded to 109 emergency calls this year:

Motor vehicle accidents-45	Brush-3
Structure fires-32	Cascade-1
Water rescue-13	Co meter-1
Chimney fires-8	Other-6

Towns Responded To:

Fitzwilliam-39	Winchendon, Mass.-2
Troy-14	Chesterfield-2
Rindge-14	Winchester-1
Marlborough-8	Harrisville-1
Swanzey-5	New Ipswich-1
Dublin-4	Erving, Mass.-1
Jaffrey-4	Gardner, Mass.-1
Spofford-4	Templeton, Mass.-1
Richmond-3	Royalston, Mass.-1
Peterborough-2	Newfane, Vt.-1

Personnel:

Meadowood has approximately 80 members. This includes Board of Directors, Active Firefighters and Divers, Associate Members, Life Members, and Ladies Auxiliary.

Training:

Our personnel continue to receive monthly training in SCBA, haz-mat, vehicle rescue, water rescue, apparatus/equipment operations, terrorism, Incident Command, and live fire training. 7 members completed a FF II program. 8 members completed an Incident Command/NIMS 700 class. 2 completed an Instructor Mentor-Train the Trainer class. 1 completed a Public Information Officer class. 1 completed a NIMS 300/400 class. 2 completed an Incident Safety Officers class. 1 completed a RIT class. All 4 of our Instructors have renewed their credentials for the year. The Dive Team continues to do their monthly training. We have trained with other Departments in live fire evolutions (3 acquired structures), tanker shuttle, 4" hose evolution, foam, SCBA, repelling/rescue from heights, pumping, auto extrication/rescue jacks, haz-mat, EMS, and the States Class A trailer.

We have sponsored a FF II class, ICS/NIMS 700 class, Haz-mat Operations class, Class A trailer, as well as our annual Spring/Fall Fire Schools. We have started a FF I class that will end in June.

Equipment/apparatus:

Maintenance on the equipment/apparatus is on going. All apparatus is roadworthy and in working order. We have acquired some new pieces of equipment. Some of the older outdated equipment has been taken out of service.

Projects:

The cabinets on the Tanker were replaced. The roof on Annex 2 was replaced. The old ladder building was torn down and burned and the area cleaned. The Pavilion was painted. The Snack Shack was painted. The boards on the bridge over the brook have been replaced. The brush around the dam was cut. A new furnace was installed in the main station. The air compressor was overhauled and the air tested. The sign posts were painted. The generator was worked on. New apparatus/equipment checklists were made and are being used. Work is continuing on the drill tower, equipment trailer, cleaning/rearranging the wreck room, and repairing/replacing the windows in Annex 2. Job descriptions were written for Officers and Firefighters. The ground water testing is on going and still shows signs of taking care of itself. We held three dinners, an open house/bake sale, and a fundraiser at Uno's. We held 2 raffles. The annual Auction was held. The Solicitation Letter was sent out. Lt. Hurme held another Apparatus Expo at Fire School. Chief Crowell has attended meetings of the Monadnock Area Fire Chiefs Association. Chief Crowell and Chief Donovan have been working with the Fire Academy Staff to get Meadowood designated as the Training Center for this area.

Community service:

Community service is an important part of Meadowood. We put up/took down the flags/bunting at the Troy Town Hall. We did a Fire Prevention Activity with the Troy Day Care. We put up Christmas lights in Troy and Fitzwilliam. We attended a Firemen's Memorial Service in Swanzey. We loaned tables/chairs for the Troy Arts Fest and the Fitzwilliam Fun Fest. The Rescue provided lighting and the Tower provided fire watch at the Fitzwilliam fire works. The Assembly Hall/Pavilion have been used by the VFW, Lion's Club, Troy Seniors, receptions for 2 funerals, a wedding, and a Christmas Sale. We assisted Swanzey Fire at the Demo Derby. We attended parades in Richmond, Fitzwilliam, Swanzey, and Keene.

2008 will be a busy year for Meadowood. We will continue to respond to all calls for assistance. We will continue to seek new members. We will continue to upgrade our apparatus/equipment/department training and training with other departments. We will continue to seek ways to raise funds including applying for Grants. We will continue to work on the project list. We will continue with our Community Service. We have already scheduled for this year: finish the on going FF I with another FF I class to start in Sept., our two annual Fire Schools, a 6 hour Weapons of Mass Destruction Awareness class, a Haz-mat Operations class, a 16 hour Incident Command For The Fire Service class, a 32 hour Intro to Technical Rescue Systems class, a 16 hour Haz-mat Decon class, and CPR. We will sponsor other classes as we can.

In 2008, all Chief Officers in the State of New Hampshire will be required to attend an ICS 300/400 class if they wish to continue to receive Federal Funding. We will sponsor a class. Meadowoods Assistant Chiefs will be required to attend this class.

I thank the Board of Directors, Officers, Members, and Ladies Auxiliary for the support they have given me this year. I certainly appreciate it very much. I look forward to a very busy 2008 and with your support we will get through it.

Respectfully submitted,

Chief Robert S. Crowell

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands on Monadnock, Gap and Little Monadnock Mountains.

The Commission voted to allow and support an ecological research project on Monadnock by Antioch University. Headed by Peter Palmietto, a Forest Ecologist, the project goals are to research and inventory plant communities and ecosystems, and study the long term effects of climate; then to communicate these findings to the public. This will be an ongoing project to gain substantial scientific information.

The new Dublin Trailhead parking lot and trailhead relocation have been completed, as a result of a multi-year effort between SPNHF, New England Forestry Foundation, NH Parks and the Town of Dublin. Information kiosks and a portable toilet have been installed.

Iron Rangers have been installed by the Division of Parks and SPNHF cooperatively at the following trailheads: Dublin, Old Toll Road, North and South Gap Mountain, Rhododendron State Park, and Monadnock State Park headquarters. These are signed to accept required fees or donations with explanation as to how the money is to be used. Iron Rangers have been successful in acquiring revenue when no staff is present.

The Jaffrey Planning Board approved a lot line adjustment to SPNHF for its Poole Lot, which will allow for a land swap for the State Gay Lot. This is as proposed in the Monadnock Master Plan.

Monadnock State Park Manager Andrew Zboray reported annual day use attendance at 70,638 at headquarters, 11,214 at other trailheads, campers at 9,084.

Commission Members:

Ann Royce, Chair - Jaffrey
Fred Richardson - Jaffrey
Ernie Linders - Marlborough
Ed Germain - Dublin
Betsey Harris - Dublin
David Adams - Troy
Donald Upton - Troy
Robin Haynes - Fitzwilliam

Official Representatives or Designees:

Allison McLean - Director of Parks
Ken Desmarais - NH Division Forests & Lands
Geoff Jones - SPNHF
Andrew Zboray - State Park Manager, Secretary
George Bald - Commissioner of DRED

MONADNOCK FAMILY SERVICES

Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay. MFS offers a variety of services for persons who have a mental illness as well as prevention programming for at-risk youth and counseling for families. Our substance abuse programs help people to develop new habits and lifestyles while our family programs give new mothers the tools they need to bring happy and healthy children into the world.

MFS is asking for your continued financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your community. Based on figures from the 2006 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Troy, amounts to \$2,554.

The cost to MFS to serve the uninsured has increased steadily with more people seeking subsidized care. Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Troy will continue. We pursue alternate sources of funding, such as The Monadnock United Way and conduct additional fundraising efforts through our Board of Directors.

We have enclosed information about the services provided to residents of your town. If you have questions, or would like more information provided, please feel free to contact us.

Again, your support is very important to us. By working together, we help insure our communities remain healthy and vital places to live, work and grow. Thank you for your consideration.

With sincere thanks,

Kenneth Jue
Chief Executive Officer

**MONADNOCK FAMILY SERVICES
STATISTICS**

Monadnock Family Services provided the following services to Troy residents this last year:

Number of clients treated:	107
Children:	29
Adults:	74
Seniors:	4
Total # of appointments provided for the above residents:	2,635
Percentage of payments received for services:	69.53%
Discounts based on a residents ability to pay and other discounts:	\$25,567.73
In addition to the above discounts current outstanding and uncollectible resident balances:	\$39,180.96

TROY POLICE DEPARTMENT

2007, what can I say? It was a year that we will not soon forget. I would like to share with the citizens of Troy some of the issues that the members of the Troy Police Department faced in 2007.

This year we handled 2,926 calls for service resulting in 86 incident reports and 116 arrests. We responded to and investigated 58 motor vehicle accidents resulting in some serious injuries and one fatality. There were 394 written warnings issued for motor vehicle violations and 56 summonses for motor vehicle violations, which the operator had to either appear in court or pay a fine by mail.

April 9th, 2007 we hired Kevin Stone to fill the vacancy left when Chris Anderson resigned to take a position with the Jaffrey Police Department. Kevin is a former resident of Troy and has prior experience in law enforcement. Kevin has worked four years with the New Hampshire Department of Corrections, two years with Cheshire County Sheriffs Department and one year with the Swanzey Police Department. Kevin presently lives in Keene with his wife, Jeanne.

July 9th, 2007 we investigated a reported burglary at Stan's Market and we charged three juveniles with this crime. Unfortunately we did not have the most successful outcome in court. One juvenile was convicted of possession of stolen property and was ordered to pay restitution. Charges were dismissed against the other two juveniles, as our key witness failed to appear in court for the hearings.

July 11th, 2007 we investigated a burglary into the Sand Dam Recreational building and as a result we charged one male adult and two juveniles. In this case we were successful in court where the adult plead guilty and received 1 year suspended sentence at the House of Correction, he had to serve 60 days at the house of correction and he was ordered to pay a portion of the restitution which was in the amount of \$250.00. The two juveniles were referred to the Juvenile Diversion Program and they were ordered to pay a portion of the restitution as well.

On August 11th, we investigated a serious motor vehicle accident involving a car and a bicyclist. The bicyclist was a 16 year old male who received serious injuries and had to be airlifted to the hospital. The operator of the car was also a 16 year old male who was not injured in this accident.

TROY POLICE DEPARTMENT

On August 31st, 2007 we had the bull dozer purposely driven into the Police station. This 34 year old male is presently being held at the Cheshire County House of Corrections and waiting trial. Just imagine putting yourself in Officer Stone's shoes for a moment as he pulled into the parking lot of the station and seeing a bull dozer being driven into the building. His heart was pumping, blood pressure on the rise, he had to do something. Officer Stone's professional action and the eventual compliance of the bull dozer operator were key factors in this incident not having a tragic ending.

As a result of this incident our routine was disrupted and we had to relocate into a trailer for a short period of time. During the repairing of the station we made several improvements. We addressed the issues of security and privacy for both the officers and those being arrested. We hope to hold an open house prior to Town meeting so that everyone who wanted to could see the improvements.

September 27th, 2007 we investigated a reported bank robbery at the TD BankNorth. We were very fortunate that no one inside the bank was harmed as the robber did show a hand gun. This was a horrifying experience for Phaedra, Sarah and Sonya but they kept their heads and did everything that they had been instructed to do during a robbery. We just want to let the ladies know that we think they did a Great job dealing with this horrifying situation.

In a combined effort by Troy Police, Keene Police, New Hampshire State Police and the Federal Bureau of Investigations a suspect was taken into custody within 24 hours and he later confessed to not only robbing the Troy branch but also two other TD BankNorth branches in Keene and Milford New Hampshire.

December – Santa Claus (Ron Goodrich) of Gap Mountain Road stopped by the station and donated two 19" flat screen computer monitors. Thank you Santa (Ron) we truly appreciate your generosity.

On December 27th, 2007 we had to respond to a motor vehicle accident on North Main Street involving several vehicles which resulted in the death of a 16 year old male and serious injury to the 16 year old operator. This unfortunately is the first fatality in Troy in over ten years. There have been

two other fatalities on route 12 over the past two years but they have occurred in Marlborough.

In closing I want to say that we will continue to provide quick, courteous and professional service to the Town.

Respectfully submitted:

Howard M. Sheats, Jr.
Chief of Police

TROY SENIOR CITIZENS

Members of the Troy Senior Citizens organization participated in three day-trips this year. In August, we traveled to York Harbor, Maine, for a down east lobster bake at Foster's. After a wonderful feast, we enjoyed an entertaining floorshow. On our second trip, we spent the day in Vermont. We visited the flagship store and bakery of King Arthur Flour and then traveled to Woodstock for lunch at the Woodstock Inn Country Club. Our next stop was at the Simon Pearce Glass and Pottery Gallery to observe the glass blowers and pottery artisans at work. Before heading for home, we stopped at the Harpoon Brewery to observe the process of making beer. In December, we enjoyed a Christmas party at Luciano's on Lake Pearl in Wrentham. "The Time Machine" presented an exciting musical show after our lunch. As you can tell, the seniors enjoy fine dining and lively entertainment.

Special programs are presented at our monthly meetings - sometimes just for fun (Yankee Swap)-sometimes interesting presentations from guests (Walter Hood demonstrating basket weaving techniques still used at Peterboro Baskets). We have three dinner meetings at East Hill Farm that are very popular with the seniors. Entertainment after our dinners this year included Chuck Wilson, the band "Now and Then" and the band "Blue Notes". One of the Steel Drum Bands performed at our picnic in July.

Besides our social activities, we were involved in fund raising to help support several organizations in town. The Troy Seniors made donations to Helping Hands, Bridge of Joy and Troy Ambulance Service. We assembled and delivered fruit baskets to shut-ins in town at Thanksgiving. We also collected gifts in November and delivered them to Maplewood Nursing Home, Good Shepherd Nursing Home and Genesis Eldercare for the residents Christmas parties.

Our main fundraiser is the breakfast at Kimball Hall on the first Saturday of every month. Although it is a lot of work for the seniors, it seems to gain in popularity every month. It's gratifying to us to witness the laughter and socializing. Thank you to our great cook, Bob Berry. We know we could not do the breakfasts without Bob's expertise in the kitchen. We also want to thank Chief Sheats for helping the seniors every month at our breakfast. Bob and Chief Sheats give their time and energy unselfishly

and the Troy Seniors appreciate the work they do on our behalf.

We thank the Town of Troy for its continued support and for allowing us to use Kimball Hall for our meetings and functions.

The Troy Senior Citizens meet the fourth Wednesday of every month at Kimball Hall. Anyone 50 years of age or older is invited to attend. At present, we have 72 members enrolled in the organization. We'd love to have you join us. Thank you, Troy Seniors, for your support and willingness to serve this past year.

Respectfully submitted,

Lucille Saturley
President

SOUTHWESTERN COMMUNITY SERVICES, INC.

All of us at Southwestern Community Services would like to extend huge "thank You" to the citizens of Troy for the courteous cooperation which we have always received, as well as for your continued financial support.

Through the generosity of communities like Troy, SCS is now able to offer access to most of our programs at a variety of sites throughout the county making it much more convenient to those residing outside the greater Keene area. During 2007 alone, with your help, we have delivered services to 391 Troy families, consisting of 800 citizens who were found to be in need. The value of these efforts totaled \$ \$287,624. According to accepted economic formula, this carries an economic of \$719,059.

We look forward to working with Troy residents and their elected officials as we continue to deliver services in the fields of energy, housing, nutrition, education, and health during the coming years.

David W. Osgood
Southwestern Community Services, Inc.

SOUTHWEST REGIONAL PLANNING COMMISSION

The Planning Commission, with a service area covering 36 municipalities in Cheshire, Hillsborough and Sullivan Counties, is one of New Hampshire's nine regional planning agencies established by the State Legislature and the Region's towns. We continue to provide planning-related assistance to member communities and to represent the Southwest Region in state and federal programs. Our diverse work program covers activities including local planning assistance, natural resources planning, regional information systems & mapping, transportation planning, community & economic development, and emergency management planning. We are funded through multiple sources including local membership dues. For each dollar in local dues, we've succeeded in leveraging nearly eight additional dollars to assist in addressing planning needs of the Region and its municipalities. These resources provide the Commission the ability to assemble a professional staff which member municipalities have direct access to. Highlights of Commission activities for the past year include:

- completing the recent update of the Troy Master Plan;
- completion of a project to improve the Troy water infrastructure system through the use of a federal Community Development Block Grant;
- support of the historic Troy Depot through the State's Land & Community Heritage Investment Program (LCHIP);
- continued attention to redevelopment efforts of Troy Mills through the Commission's Comprehensive Economic Development Strategy for Southwest New Hampshire maintained in conjunction with the U.S. Department of Commerce's Economic Development Administration;
- continued service to the Troy Planning Board through the Planning Board Assistance program;
- continued operation and administration of the Southwest Region Brownfields Assessment program;
- sponsored several workshops including economic development, transportation, and resource protection; and
- worked as a partner with the NH Department of Environmental Services, NH Office of Energy & Planning and other regional planning commissions in preparing an Innovative Land Use Guide.

SOUTHWEST REGIONAL PLANNING COMMISSION

We continue to be available to assist you in your planning related activities. Thank you for your continued support of the Commission. We look forward to working with you during the coming year.

Sincerely,

Timothy P. Murphy
Executive Director

TRANSFER STATION/RECYCLING CENTER

Things seem to be pretty quiet at the transfer station, even though you might have noticed the metal pile is not growing as fast as in the past. Probably because the price of metal has sky rocketed, so people take the time to take it to the scrap yard themselves. This in turn puts our revenue down in comparative years. Our revenue on the sale of bags this year was approximately \$16,517.50. Our collection on construction debris fees was \$10,105.28. Our sale of recyclables was \$15,957.43. So it shows that recycling is working so keep up the good work.

I would like to thank Rod Page and his crew at the Recycling Center for all their hard work and dedication.

James E. Dicey
Public Works Director

TROY ELEMENTARY SCHOOL

***The mission of Troy Elementary School is:
to strive to educate every child in a safe and respectful
environment where the school, home and community work
together to develop life long learners.***

Time is like gold. Schools are experiencing an expanding role while being held accountable for extremely challenging educational standards. Because of this, the time we have has to be carefully and creatively managed and secondly we need to think outside the box to find ways to create more time for learning. Daily uninterrupted math and reading time blocks were implemented last year. Every class dedicates at least 1 hour to each every day. To do this we had to trim some of the events and assemblies we had done in the past and abbreviate others. Unfortunately some good performances and activities had to go. As for finding new time, Troy School was awarded a 21st- Century Community Learning Center Grant that we call No Child Left Alone or NCLA for short. It is allowing for an expanded out of school program. This gives us the opportunity to bring in programming that reinforces the curriculum in a fun, activity based way. Also, a couple of the programs we had to cut from the school day have been brought back through NCLA. The programs will be offered this summer as well.

As one of the schools in the district that narrowly missed making adequate yearly progress as defined by No Child Left Behind, we have engaged in the process of developing and implementing an improvement plan. Our team, comprised of parents, community, school and district staff, has identified a few key areas that will be at the center of the plan. NCLA's coordinator will be offering parent groups on a variety of subjects. These will be at various times of day in a variety of locations to make them as convenient as possible for the community. The school will be purchasing a supplemental reading program for students that are not a match for the current series. Student reading progress is more closely tracked than ever to ensure they are receiving the best instruction for their particular needs. Students are becoming more involved with the planning for their learning. They will be helping to develop target goals in math and reading so they can measure and see their own growth. Along with this will come more individualization of instruction. Troy School prides itself for being a friendly community that cares about every child and research is showing us ways to do this even better. How a student perceives his or her school,

teachers and peers has a large impact on learning. Professional development will continue to be an important piece of our growth plan. From how to interpret data to how the brain processes information, there is an ever expanding volume of information that education professionals have to keep up with to ensure quality instruction.

This year the school has partnered with the Town of Troy to write a Safe Routes to School Grant. With a very busy Route 12 running through town and aging sidewalks we see most students opting to ride to school. We all recognize that given a safe route, walking or bike riding are more healthy choices. Though we were not successful this round we will try again. The Town and school have also discussed the possibility of working together on summer programs utilizing the town's recreation program and the school's NCLA program. Discussion around this type of collaboration will continue.

The staff of Troy School would like to thank every parent and community member for their help and support. Educating the next generation is a team effort.

David Dahl
Principal

TROY WATER AND SEWER DEPARTMENT

In the year 2007 the Troy Water and Sewer Department strived to improve its service to the customers on the system. We installed new hydrants on School Street in connection with the new sidewalk. We will continue upgrades to the Water side into 2008.

New aeration and covers were placed on lagoons 2 & 3 and are functioning as expected. We are presently in a pilot program and will continue to gather information in that process. We still have a few more things we need to do on the Wastewater side and will continue with that process.

We are presently looking for one more person to fill a five (5) year term as Commissioner, if interested please contact us the Water/Sewer Treatment Plant.

The Water and Sewer Commissioner's meet on the second and fourth Wednesday of each month at 5:00 p.m., unless otherwise posted. If you have any concerns, problems or questions, you are welcome to attend any meeting and we will try to accommodate you in any way we can. Please call the office at 242-3890 if you would like to be placed on the agenda for any meeting.

TOWN OF TROY
MINUTES OF ANNUAL MEETING
March 17, 2007

The polls opened at 10:00 am, March 13, 2007 by moderator Thomas E. Britton at Troy Elementary School for the purpose of electing Town Officers and voting on Amendments to the Zoning Ordinance. The poles closed at 7:00 pm, at which time the counting of ballots commenced.

The Town meeting convened Saturday, March 17, 2007 at 10:22 am at the Troy Elementary School to act upon the remaining articles in the Town Warrant with Moderator Thomas E. Britton presiding.

Chief Howard Sheats awarded an outstanding accommodation award to David Ellis for his great police work in finding a missing girl stemming from a kidnapping. Dave was awarded a metal and plaque for a great job done.

ARTICLE 1. To bring in your vote for one Selectman for three years and other Town Officers elected by ballot as passed by Town Meeting or State Statute for the specified number of years.

Selectman for three years

Aaron Patt

Treasurer for three years

Janet L. McCullough

Welfare Administrator for one year

Cynthia N. Satas

Supervisor of Checklist for five years

Judy Mentzer

Trustee of Trust Funds for three years

Normand A. Dion

Cemetery Trustee for three years

Frank J. Obuchowski

1st Deputy Fire Chief for three years

Robert Hebert

Planning Board for three years

William L. Rogers

Library Trustee for three years

Beth Richardson

Water Sewer Commissioner for five years

Pete Marrotte

Water Sewer Commissioner for two years

John Callahan

Zoning Board for three years

Todd Carter

Budget Committee for three years

Frank Obuchowski

ARTICLE 2. Are you in favor of the adoption of **Amendment No. 1** to the Troy Zoning Ordinance as proposed by the Planning Board and generally described as follows:

Amend the backlot requirements of the Rural District under Article VI Section 2, to clarify that for all lots existing as of the adoption of the backlot ordinance in 1993, only one back lot shall be created from the existing lot. No more than 2 lots shall be created from the existing lot, resulting in 1 back lot and 1 front lot.

PASSED YES 236 NO 113

Are you in favor of the adoption of **Amendment No. 2** to the Troy Zoning Ordinance as proposed by the Planning Board and generally described as follows:

Amend the backlot requirements of the Rural District under Article VI Section 5, by removing language with regard to the upgrading of the access way to allow for further subdivision, effectively disallowing any future subdivision of both parcels, and only allowing one single-family dwelling on each lot.

PASSED YES 232 NO 122

ARTICLE 3. To see if the town will vote to raise and appropriate such sums of money as may be necessary to defray the following expenditures:

Library Bond	22,032	22,032
Tax Anticipation Note Interest	<u>16,800</u>	<u>16,800</u>
TOTAL	1,237,667	1,238,167

PASSED AS AMENDED to increase Railroad Budget to Selectboard's figure and to increase Police Budget to add \$12,000 for Policeman's salaries bringing the total Budget to \$1,250,167

ARTICLE 4. To see if the town will vote to raise and appropriate the sum of ninety-one thousand six dollars (**\$91,006**) for the annual bond payment for closing the town landfill, and authorizing the withdrawal of twenty thousand dollars (**\$20,000**) from the Transfer Station/Recycling Center Special Revenue Fund. The balance of seventy-one thousand six dollars (**\$71,006**) is to come from taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 5. To see if the town will vote to raise and appropriate the sum of twenty-three thousand six hundred ninety-three dollars (**\$23,693**) for the care of the cemeteries and authorize the withdrawal of twenty-two thousand seventy-eight dollars (**\$22,078**) proportionately from the

Cemetery Maintenance Expendable Trust Fund and the Cemetery Perpetual Care Expendable Trust Fund. The balance of one thousand six hundred fifteen dollars (**\$1,615**) is to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 6. To see if the town will vote to raise and appropriate the sum of twelve thousand dollars (**\$12,000**) for the purpose of retaining consultants to assist the town with planning, economic development, management issues, and legal services. This will be a non-lapsing appropriation per RSA 32:7 VI, and will not lapse until completion or by December 31, 2008, whichever is sooner. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 7. To see if the town will vote to raise and appropriate the sum of twenty-five thousand dollars (**\$25,000**) to purchase a 2007 Ford Expedition police cruiser and authorize the withdrawal from the Police Department Capital Reserve Fund. The 1998 Dodge Durango will be sold by July 1, 2007, and the proceeds will go into the general fund surplus for the purpose of replenishing the Police Department Capital Reserve Fund. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of four thousand dollars (**\$4,000**) to purchase five body armor vests for the police officers and authorize the withdrawal from the Police Department Capital Reserve Fund. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of nine hundred eighty-seven dollars (**\$987**) to be placed in the Police Department Capital Reserve Fund. This is the grant money received from the State of New Hampshire for ATV patrols during 2006. This amount is to come from fund balance (surplus). No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 10. To see if the town will vote to raise and appropriate the sum of six thousand forty-eight dollars (**\$6,048**) for Prevention of Alcohol Abuse in Cheshire County (PACC) details for the Police Department to be funded with anticipated grants from the State of New Hampshire. No funds will be expended unless the grants are received. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of fourteen thousand six hundred twelve dollars (**\$14,612**) for the first payment over the term of seven years on the lease/purchase agreement on the 2004 HME fire truck. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 12. To see if the town will vote to raise and appropriate the sum of seven hundred seventy-seven dollars (**\$777**) to be placed in the Fire Department Capital Reserve Fund. This amount is to come from fund balance (surplus). This is the amount received from the sale of the 1977 Dodge pickup truck, September 2006. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 13. To see if the town will vote to raise and appropriate the sum of twenty thousand dollars (**\$20,000**) for sand sealing and repair of town roads. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 14. To see if the town will vote to raise and appropriate the sum of forty-five thousand three hundred eighty-eight dollars (**\$45,388**) for a 2007 Dodge Ram 3500 dump truck and plow and to authorize the withdrawal of thirty-one thousand three hundred eighty-eight dollars (**\$31,388**) from the Highway Department Capital Reserve Fund. Fourteen thousand dollars (**\$14,000**) to come from the trade-in of the 1999 Ford F350 dump truck. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 15. To see if the town will vote to raise and appropriate the sum of thirty thousand dollars (**\$30,000**) for construction of a new concrete sidewalk on the western side of School Street. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 16. To see if the town will vote to raise and appropriate the sum of forty-four thousand five hundred ten dollars (**\$44,510**), that will be received from the Highway Block Grant from the State of New Hampshire during 2007 for the maintenance, construction, and reconstruction of Class IV and V highways. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of five thousand dollars (**\$5,000**) to upgrade the electric service at the Recycling Center and purchase safety equipment and authorize the withdrawal of (**\$5,000**) from the Transfer Station/Recycling Center Expendable Trust. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of seven thousand seven hundred dollars (**\$7,700**) for the purchase of transfer station bags and authorize the withdrawal of seven thousand seven hundred dollars (**\$7,700**) from the Transfer Station/Recycling Center Special Revenue Fund. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 19. To see if the town will vote to raise and appropriate the funds listed below to be deposited in the Capital Reserve Funds:

	RECOMMENDED BY BUDGET COMMITTEE - SELECTMEN	
Selectmen's Office	113,432	113,432
Fire Department	10,388	10,388
Highway Department	15,000	15,000
Police Department	10,000	10,000
Reassessment	<u>10,000</u>	<u>10,000</u>
	45,388	45,388

PASSED AS PRESENTED

ARTICLE 20. To see if the town will vote to raise and appropriate the funds listed below to be deposited in the Expendable Trust Funds:

	RECOMMENDED BY BUDGET COMMITTEE - SELECTMEN	
Selectmen's Office	113,432	113,432
General Government Buildings	10,000	10,000
Samuel E. Paul War Memorial	<u>5,000</u>	<u>5,000</u>
	15,000	15,000

PASSED AS PRESENTED

ARTICLE 21. To see if the town will vote to raise and appropriate the sum of four hundred eleven thousand six hundred sixty-two dollars (\$411,662) for Water/Sewer Department operations. Income comes from collections of water and sewer rents. No amount to be raised by taxation. Recommended by the Select Board and the Budget Committee.

PASSED AS PRESENTED

ARTICLE 22. To see if the town will vote to raise and appropriate the funds listed to be donated to each organization as specified:

	RECOMMENDED BY BUDGET COMMITTEE - SELECTMEN	
Selectmen's Office	113,432	113,432
Gap Mountain Garden Club	700	700
Helping Hand	2,000	2,000
The Community Kitchen	2,000	2,000
Historical Society	1,000	1,000

Senior Citizens	0	500
Southwestern Community Svc	<u>2,500</u>	<u>2,500</u>
	10,700	11,200

**PASSED AS AMENDED TO include \$500 for the Senior Citizens,
using the Selectboard's figures**

The meeting adjourned at 11:15 am

Marcy Johnson, Troy Town Clerk

**STATE SENATOR MOLLY M. KELLY
DISTRICT 10**

As your State Senator, I am again honored and privileged to have the opportunity to serve you. This report will bring you up to date on important issues in the New Hampshire Senate affecting you, as residents of Troy.

While I serve on the Capital Budget, Education, Executive Departments and Administration, and Transportation and Interstate Cooperation committees in the Senate, there are some specific issues on which the Senate will focus during the current legislative session: costing an adequate education, strengthening the New Hampshire Retirement System, providing broadband service, improving access to healthcare and housing, and addressing highway funding and our statewide transportation infrastructure, as well as improving job opportunities.

Last session, the Senate concentrated on several key issues important to the citizens of New Hampshire: helping working families by increasing the minimum wage; protecting our citizens' health by implementing a smoking ban in restaurants and bars, increasing access to health care by supporting expanded eligibility to health insurance, protecting New Hampshire's special places and open spaces by increasing funding of the Land and Heritage Investment Program, adopting consumer protections for individuals facing foreclosure and reducing the dropout rate in our high schools by raising the age of compulsory attendance. We also passed a fiscally responsible state budget for the FY 2008-2009 biennium that meets the needs of our most vulnerable citizens without a sales or income tax.

In FY 2007, the Town of Troy received a total of \$2,167,346 in Education Grants; \$44,538 in Highway Block Grants; \$78,219 from the Meals & Rooms Tax distribution and \$86,889 in Revenue Sharing.

I would be happy to hear from you on any of the topics above, or other issues of concern. If you wish to contact me about these or any other matters I might assist you with, please call me at (603) 271-7803 or email me at molly.kelly@leg.state.nh.us.

Respectfully submitted,

Molly Kelly
